REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The instant application is deemed to be directed to a nonobvious improvement over the invention patented in Hori et al. (JP 09-080246).

Claim 1 is allowed because the prior art of record, taken alone or in combination fails to disclose or render obvious a method *using a chemical-mechanical process to remove excess core material formed over the core regions and over the cladding material* in combination with the rest of the limitations of the base claim in accordance with pages 6-7 of Applicant's 5/20/05 Remarks. Claims 2-4, 7 depend on claim 1 and therefore they are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
